

Note Counting Machines & Paper Shredders

Save yourself from fraud and threat!

In India, Pilot has established itself as a pioneer in Shredders. In line with these, Pilot has also launched quality Note counting machines.

Confidential paperwork, used data sheets, invoice copies, unnecessary log files or any document that needs to be destroyed after use can be prohibited from accidentally falling into wrong hands using Pilot shredders. Their various cuts ensure that whoever tries to put together the puzzle of shredded paper will not be able to get the original document back.

Thus making these shredders the ideal choice for small offices and homes.

Pilot heavy duty shredders too are in tune with their technical expertise and engineering excellence.

Pilot Note counting machines are one peace of mind that all organisations that handle cash should have. Besides counting the notes, they also detect most fake currencies of the world.

Con game is rampant in this world. And fidelity can be found in these gadgets!

Note Counting Machine

Heavy Duty Shredder

NOTE COUNTING MACHINES

C-10UV/MG

Suitable for retail, corporate houses, banks etc. They come equipped with auto start, stop, clearing, batching, adding and self-examination functions. Additionally, double-bill with IR (infrared ray), UV (ultraviolet), MG (magnetic) & automatic half-note detection systems is also available. It is suitable for counting most currencies in the world.

Retail

Corporates

Bank

Technical Data

Models	C-10UV/MG
Counting speed	>1000 notes/min
Net weight	5kgs
Power supply	AC 220V 50Hz
Power consumption	60W

C-50UV/MG

Suitable for retail, corporate houses, banks etc. These machines have a TFT screen display & come equipped with auto start, stop, clearing, batching, adding and self-examination functions. Automatic detection with UV (ultraviolet) & MG (magnetic) & half-note detection system. Additionally double-notes detection with IR (infrared ray) detection system. It is suitable for counting most currencies in the world.

Power consumption	75W

NOTE COUNTING MACHINES

CV-60UV/MG/IR Value Counter

Suitable for retail, corporate houses, banks etc. These machines have a TFT screen display & come equipped with auto start, stop, clearing, batching, adding and self-examination functions. Automatic detection with UV (ultraviolet) & MG (magnetic) & half-note detection system. Additionally double-notes detection with IR (infrared ray) detection system. It is suitable for counting most currencies in the world.

Technical Data

Models	CV-60UV/MG/IR
Counting Speed	>1000 pcs per min
N.Weight/G. Weight	5.5KGS/6 KGS
Size of package	368 x 326 x 268mm
Power supplier	AC220V 50/60Hz
Power Consumption	<75W

CBT-30 Bundle Counter

A table top mounted state-of-the-art heavy duty machine equipped with an LED display. Feather touch keypad makes operations easier. A cut off system prevents damage to the machine in case of voltage fluctuation. It also has a unique dust removing system which enhances the counting accuracy.

Best suited for Banks, Financial Institutions, Offices, Shops, Post Offices, Hotels, Places of Worship.

MODES OF OPERATION

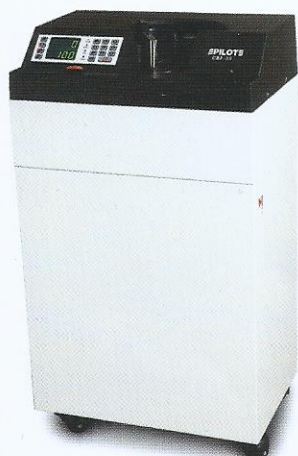

- Check Mode - Check nos as per pre-set value.
- Free Mode - Count all notes placed in stacker.
- Batch Mode - Count in batches.
- Stamp Mode - Stamp OK after checking.

Technical Data

MODELS	DESKTOP (CBT-30)
Counting Mechanism	Vacuum
Dimensions(W x D x H)	330 x 420 x 240
Weight (approx)	35kg
Counting Speed / 100notes	4 sec. approx
Size range of documents (mm)	Min: 45 x100 Max: 100 x420 Thickness: 0.04mm x0.18mm
Notes Capacity (max.)	150 notes
Power Consumption	380 W
Power Source	AC 230V 10%; 50Hz
Types of notes	Stapled / Banded
Dual LED Display	4/3 digits

CBF- 30 Bundle Counter

A floor standing state-of-the-art heavy duty machine equipped with LED display, a feather-touch keypad for effortless operation, a cut-off system for protection against voltage fluctuations & a unique dust removing system for high accuracy. Best suited for Banks, Financial Institutions, Offices, Supermarkets, Post Offices, Hotels, Places of Worship & Transport organisations where soiled currency is to be counted.

MODES OF OPERATION

- Check Mode - Check nos as per pre-set value.
- Free Mode - Count all notes placed in stacker.
- Batch Mode - Count in batches.
- Stamp Mode - Stamp OK after checking.

Technical Data

Counting Mechanism	Vacuum
Dimensions(W x D x H)	450 x 300 x790
Weight (approx)	47kg
Counting Speed / 100notes	4 sec. approx
Size range of documents (mm)	Min: 45 x100 Max: 100 x420 Thickness: 0.04mm x0.18mm
Notes Capacity (max.)	150 notes
Power Consumption	380W
Power Source	AC 230V 10%; 50Hz
Types of notes	Stapled / Banded

DESKSIDE OFFICE SHREDDERS

Pilot - 08 MC

The Pilot 08-MC shredder is equipped with the electronic and digital control system, hence is suitable for offices.

It is a cross cut shredder and has overload protection along with an auto start/stop function. This shredder shreds clips and staples.

Technical Data

Feed opening, mm	220	Dimensions, mm H, W, D	500 x 390 x 275
Shred width mm	2 x 12	Weight in Kg (approx.)	13
Performance in sheets*	8	Photocell controlled	Yes
Security level**	4	Warranty	12 months (on site)
Shred speed, metre / min	2.7	Sound level (Db)	No Load 55
Power connection, Volts	220		Load 60
Electrical consumption, Kw	100 (0.10)	Rating (Min)	Working 5
Capacity, Litres	25.6		Idle 20

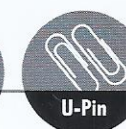

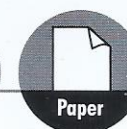

Pilot - 16 CC

This cross cut / strip cut shredder with a subtle yet magnificent design is perfect for offices. It is equipped with electronic and digital control system. It also has an alarm signal that goes off when the paper bin is full. It accepts disks, cards, staples and clips.

Technical Data

Feed opening, mm	220	Dimensions, mm H, W, D	500 x 390 x 275
Shred width, mm	3.9 x 38mm	Weight in Kg	13 kgs
Performance in sheets*	16	Photocell controlled	Yes
Security level**	3	Warranty	12 months (on site)
Shred speed, metre / min	2.7	Sound level (Db)	No Load 55
Power connection, Volts	220		Load 65
Electrical consumption, Kw	210 (0.21)	Rating (Min)	Working 10
Capacity, Litres	25.6		Idle 20

Pilot - 16 SC

This cross cut / strip cut shredder with a subtle yet magnificent design is perfect for offices. It is equipped with electronic and digital control system. It also has an alarm signal that goes off when the paper bin is full. It accepts disks, cards, staples and clips.

Technical Data

Feed opening, mm	220	Dimensions, mm H, W, D	500 x 390 x 275
Shred width, mm	3.9 mm	Weight in Kg	11 kgs
Performance in sheets*	16	Photocell controlled	Yes
Security level**	2	Warranty	12 months (on site)
Shred speed, metre /min	2.7	Sound level (Db)	No Load 55
Power connection, Volts	220		Load 65
Electrical consumption, Kw	210 (0.21)	Rating (Min)	Working 10
Capacity, Litres	25.6		Idle 20

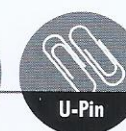

EDP SHREDDERS

Pilot - 22 CC

A cross cut / strip cut shredder with special design for dust-proof, anti-static system and is suitable for office setting. Automatically stops if the door is kept open and has a semi-floating shock absorption system. The alarm signals automatically when the paper bin is full. Used to shred disks, cards, staples & clips.

Technical Data

Feed opening, mm	230	Dimensions, mm H, W, D	640 x 435 x 320
Shred width, mm	3.9 x 38mm	Weight in Kg (approx.)	26
Performance in sheets*	22	Photocell controlled	Yes
Security level**	3	Warranty	12 months (on site)
Shred speed, metre / min	2.2	Sound level (Db)	No Load 55
Power connection, Volts	220		Load 65
Electrical consumption, Kw	530 (0.53)	Rating (Min)	Working 20
Capacity, Litres	32.7		Idle 30

Pilot - 26 SC

A cross cut / strip cut shredder with special design for dust-proof, anti-static system and is suitable for office setting. Automatically stops if the door is kept open and has a semi-floating shock absorption system. The alarm signals automatically when the paper bin is full. Used to shred disks, cards, staples & clips.

Technical Data

Feed opening, mm	230	Dimensions, mm H, W, D	640 x 425 x 320
Shred width, mm	3.9mm	Weight in Kg (approx.)	24.5
Performance in sheets*	26	Photocell controlled	Yes
Security level**	2	Warranty	12 months (on site)
Shred speed, metre / min	2.2	Sound level (Db)	No Load 55
Power connection, Volts	220		Load 65
Electrical consumption, Kw	530 (0.53)	Rating (Min)	Working 20
Capacity, Litres	32.7		Idle 30

HEAVY DUTY SHREDDERS

Pilot - 28 CC / 35 SC

The Pilot 28-CC / 35 SC is a heavy duty paper shredder, equipped with automatic start/stop capability. It can shred paper, clips, staples & CDs and is highly durable.

Technical Data

Feed opening, mm	310	Dimensions, mm H, W, D	895 x 520 x 385
Shred width, mm	4 x 30 / 4	Weight in Kg (approx.)	54
Performance in sheets*	28 / 35	Photocell controlled	Yes
Security level**	3 / 2	Warranty	12 months (On site)
Shred speed, metre/min	2.2	Sound level (Db)	No Load 58
Power connection, Volts	220		Load 65
Electrical consumption, Kw	530 (0.53)	Rating (Min)	Working 30
Capacity, Litres	80		Idle 30
